

It's house-cleaning time.

Keep the following toxins out of your dog's reach.² Signs of poisoning vary.

- Antifreeze
- Rat poison
- Snail bait (even if hidden under plants in the yard)
- Insecticides
- Petroleum products
- Household cleaners, such as leave-in toilet bowl cleaners
- Many plants, including lilies, tulips, amarillis, and chrysanthemum³
- Prescription medicines
- Onions
- Chocolate (especially bakers or unsweetened chocolate)
- Moldy or spoiled foods
- Grapes and raisins
- Products sweetened with xylitol
